Hi Marti,

Please see below. The allegation procedures were sent to the IOAA for review on Thurs 5/14. I apologize for not including you in the email to Mary.

Both the allegation procedures and DSO are with the IOAA. ☺

Thanks.

Good afternoon, Rachel and Alexandra. I'm forwarding the final version of Allegation Procedures that has been reviewed by Jennifer. She asked for one last check before it was posted. I'm forwarding Maureen's email that includes more description of the review process. Would you get this in the queue for Jennifer's approval, please? Thank you.

Subject: Final SA Review Prior to Posting - Allegation Procedures

Sent on behalf of Francesca Grifo, SciO

Hi Mary,

Good afternoon. For final review before posting, please find attached the "US EPA Procedure for Addressing Scientific Integrity Concerns". The Allegation Procedures include Jennifer's edits that she passed on from the Administrator. Edits have also been incorporated from the Sci Committee, including Bruce Rodan.

Also attached is the IOAA routing slip. Please forward the Allegation Procedures and routing slip to the IOAA assistants (Rachel Matney or Alexandra Koech) for Jennifer's review before posting. As a reminder, the Allegations Procedures has already gone through an extensive review and we hope this final review can be expedited in order to meet the OIG recommendation timeframe for posting the allegation procedures before the OIG publishes the final report.

If additional information is needed. Please let me know. Thank you.
